

## 5 Ways to Give Generously

---

Determine what you believe about giving. (What do you act like you believe? Is it pointless? Is giving a joy or a duty? Is it something you get to do or is it something you have to do? Is giving to others really better than receiving from them? Do you give sometimes to make people think well of you? Does giving make you stronger or weaker? Does it make you smile?)

Take sandwiches and drinks to share with someone seeking assistance. Introduce yourself and ask them what you can do to help them. Listen to their story.

### WISE WORDS ON GENEROSITY:

EARN ALL YOU CAN.

SAVE ALL YOU CAN.

GIVE ALL YOU CAN.

-- JOHN WESLEY

Make a meal to give to a shut-in or someone who's sick. Use disposable plates and

pans so the cleanup will be easy for them.

Participate in the giving projects sponsored by our church. For example:

- Purchase school supplies for students in our community and beyond
- Collect children's gifts for distribution by the He Sapa Church in South Dakota
- Gather baby blankets, clothes and other supplies for the Salvation Army
- Donate food for the Salvation Army Food Pantry

Sell some of your extra stuff and give the money to the church's Mission Fund.
