

5 Ways to Serve People because of God's Love

- Determine what you believe about serving people. (What do you act like you believe?) Is it pointless? Is helping others truly beneficial? Do you give sometimes to make people feel indebted to you? Is it like food for your soul? Does it make you feel stronger?
- Put your shopping cart in the designated place when you shop. Collect a few stray carts before you leave.
- Volunteer in a community organization; for example, at the Good Samaritan Rescue Mission, Salvation Army or Red Cross.
- Show up early or stay late to set up or to clean up for a church activity. Or, come early and stay late without grumbling or complaining.
- Do lawn care work for an elderly or handicapped neighbor.

can do great things. But
we can do small things
with great love.”*
